A Benefit Bash Like No Other...

Carmela's Legacy...

Despite the fact that Carmela Short was diagnosed with breast cancer in 1997, her loving heart had room to help others. Along with her husband John, they focused enormous amounts of their energy towards a common goal. They formed "Cure Mommy's Breast Cancer", a non-profit organization devoted to helping cancer patients by providing them with financial support.

Carmela passed away on March 27th, 2003. She was 38 years old and left behind her husband John, daughter Nicole, son Michael and her family and friends who help to carry on her legacy.

HELP US, HELP OTHERS!

Formed in 2000 by Carmela Short after her diagnosis, we are in the truest sense a non-profit charitable organization. All aspects including accounting and administrative duties are performed by volunteers, enabling us to donate approximately 98% of all funds raised. Since 2000, we have donated over \$350,000 to men, women & children in need. We provide not only financial help but moral support as well. Each year we organize charitable events to raise both money and awareness of the need for immediate financial assistance for those directly affected. Our goal is help as many families as possible.

Here are just a few examples of how we have helped:

- Paid medical insurance premiums
- Provided for house cleaning services
- Paid mortgage, rent and utility bills

We also sponsor a scholarship fund at Plainedge High School. For the 2008 year we granted five students a total of \$8,500, All students had a family member affected by cancer. To date we have awarded \$50,500 in scholarships.

We are currently a beneficiary organization for The LI2DAY Walk to Fight Breast Cancer (www.li2daywalk.org). We would like to give a special thanks to them as they have been our largest single donor for the last 4 years. We are honored to participate in such a special event!

THANK YOU!

We are so very proud of all our corporate and individual sponsors and contributors, and would once again like to thank you for your time, dedication and continued support for this very important and worthwhile cause.
